THE GENTRAL LEAGUE

of Base Ball Clubs for 1895 is Being Rapidly Shaped Up.

IEN TEAMS WILL PROBABLY LINE UP

Including Little Washington and Wheeling, Together with "Our Ancient Enemy," Zanesville-The Sories with Warren for the Iron and Oil League Championship-Last Game with Titusville This Attor-

Wheeling's experience with the late lamented luter-state league and with the later but less lamented from and Gil organization, has been rather discouraging from one point of view and encouraging from another. The discouraging part was the seeming inability of the town to get in an organization that could remain intact from the beginning to the end of the season, or even live to see its schedule played out. Engouragement, however, has been found in the feet that the Wheeling onthusiasts have percel out in such numbers this summer that the owners of the team feel justified in going ahead and endeavorng to form a league on a better basis

Already plant for the form tion of a Central league, which was transitioned exclusively in the Intelligences some and the scheme seems in a fair way to go through. It is proposed to form a sen club league, Already Wheeling, Little Washington, Columbus and New Castle have promised to be in the new organization, which will be put on foot early next spring, and the other towns in the circuit will probably be Zanes-

in the circuit will probably be Zanervilla (our ancient enemy), Davton, Erie, tanion, Toiedo and Springfield.

It is proposed to elect Al. Buckon-berger, than whom no better selection could be made, president. During the winter matters will be shaped up so that ten well equipped teams can take the field early in the spring. A \$500 guarantee will be alloyted and no term can take the field until it is put up. McKeown, of Washington, who will manage the team there, favors a \$1,000 manage the team there, favors a \$1,000 guarantee. Buckenberger will probably make Wheeling His headquarters.

ONLY THREE INNINGS

Of Yesterday's Game Between Wheeling and Titusville Played.

The heavy rain storm yesterday after noon prevented the completion of the ball game between the Wheeling and Titusville teams of the Iron and Oil and Tridsvire reams of the Iron and Oil league. The rain came down in torrents while Wheeling was ut the bat in the fourth inning and within five minutes the diamond was a minitature lake. McCleary and Gray were the opposing pitchers and when play was called the score stood 4 to 2 in favor of the home team. It looked as though it would have here an extracting game, as posthave been an exciting game as both twiriers were pitching good ball and the two teams were supporting each in

On account of the failure to complete yesterilay's game it was at first intended to play two games this afternoon, but the Wheeling management concluded its would be better to play but one game so that the pitchers would be in the best of shape for the coming series with the Warrens which will decide the second series championship of the league. McCleary will pitch for the locals this atternoon and Gray will be in the box for the visitors. The Titusvilles are one of the best teams that have appeared here and no doubt a big crowd will be in

FOR THE CHAMPIONSHIP.

The Series With Warren Will Opon To merrow-Ail of the Seven Games Will be Placed on the Wheeling Grounds. Last night word was received from

Warren to the effect that the manage ment of that team had consented to the playing of the entire seven games that will decide the championship of the Iron and Oil league, on the Wheeling grounds. As four of these games will be played during State Fair week, it is expected the largest crowds of the season will attend. The first game will be played termorrow afternoon, with Staley and Vickery, probably, as the opnosing pitchers. On Saturiay two games will be played. The morning rame will be played to morning rame will be played. The morning rame will be played to morning rame will be played to morning rame will be played.
